In the Matter of:

TIME OF DAY TARIFF FILING BY)	
KENTUCKY UTILITIES COMPANY)	CASE NO. 8915

O R D E R

On October 28, 1983, Kentucky Utilities Company filed a time-of-day tariff in compliance with the Commission's Order of February 28, 1982, in Administrative Case No. 203, The Determinations with Respect to the Ratemaking Standards Identified In Section III(d) (1)-(6) of the Public Utility Regulatory Policies Act of 1978. Although the tariff has been designed to mitigate the possible adverse billing impact on any particular industrial or commercial customer, the Commission realizes that there will likely be an interest by the customers in understanding and questioning the new tariff. Therefore, the Commission finds that the effective date of the time-of-day tariff should be suspended and a hearing scheduled to allow full consideration of the tariff.

ORDER

IT IS THEREFORE ORDERED that the effective date of the time-of-day tariff filed on October 28, 1983, shall be and hereby is suspended for a period of five months from the proposed effective date of the tariff.

IT IS FURTHER ORDERED that a hearing on this tariff shall be and hereby is scheduled for December 14, 1983, at 9:00 a.m., Eastern Standard Time, at the Commission's offices in Frankfort, Kentucky.

Done at Frankfort, Kentucky, this the 16th day of November, 1983.
